JC News

The helpdesk portal is an essential tool for all school staff and admin members to stay informed and connected. It allows us to communicate important updates, share knowledge and collaborate on projects.

Make sure to check this news portal on a regular basis and subscribe, so you don't miss out on any vital information. Additionally, the portal is where we introduce new members to the team. Be sure to extend a warm welcome to any new colleagues and make them feel at home. By utilising the helpdesk portal, we can work together more efficiently and effectively to achieve our goals
