Return to School Dates

As we finalise timetables for the Spring term ahead and with schools having autonomy to decide their Staff training/PD days, we would like to confirm the date your staff and students are returning after the Christmas Holidays.

Using the NCC/SCC calendars, we understand that your school will:

Be open to Staff on Wednesday 3rd January 2024

and

Students will return on Thursday 4th January 2024.

If this is the case, then we require no further action, and your IT Support will resume as of Wednesday 3rd January 2024.

If, however, your whole school will be **CLOSED** on Wednesday 3rd January or you have different PD days planned, we kindly ask that you **contact us via email** (office@jccomtech.com)

Please confirm which day(s) your school **will** be open so we do not send your Engineer/Technician unnecessarily and also so we can ensure we have staff available for any issues that may have arisen as a result of the festive period shutdown.

Should you have any further questions, then please do not hesitate to contact us.
